A GEBCO Symposium on underwater mapping

Map the Gaps

November 6, 2019 | Portsmouth, USA

Hosted by The Center for Coastal & Ocean Mapping / NOAA-UNH Joint Hydrographic Center

[REGISTER](#)

REGISTRATION IS FREE UNTIL SEPTEMBER 30
BOOK with a LIMITED SPECIAL RATE

SHERATON PORTSMOUTH HARBORSIDE HOTEL
Portsmouth, New Hampshire, USA

Join the world's experts on ocean floor mapping for a **special one-day event** focused exclusively on **bathymetry**.

Panel 1: Global and Regional Mapping Challenges and Opportunities

Highlighting regional projects to map underwater topography.

Panel 2: Emerging Technology

Discussion on areas of development designed to advance and transform the industry.

All are welcome. Attendees are also welcome to participate to GEBCO's Technical Sub-Committee meetings on Ocean Mapping (TSCOM), Regional Undersea Mapping (SCRUM) and Outreach & Public Engagement (SCOPE) on 04 – 05 November.
